

Proposal: DAO reward tokens for Future News readers

YKY Veer Porwal

September 4, 2024

Contents

This proposal has 3 parts:

- I Freedom of speech
- II Political donations
- III Voting, ranking and sorting

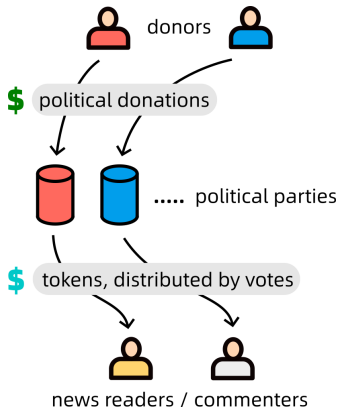

Freedom of speech

Regarding posts and comments:

1. All posts / comments are recorded, publicly viewable and searchable
2. Comments can be hidden but with open explanations
3. Hidden comments can be appealed
4. Ranking of comments by transparent democratic voting

Political donations

- The public can donate to various political movements or ideas:

Comments voting, ranking and sorting

- Commenters and their comments can be sorted by clustering algorithm
- Votes may be of type "like", "dislike", "inappropriate", etc.
- Commenters and comments can be ranked by weighted voting.
- Rewards can be distributed to viewers accordingly.
